

FLAMES Calendar Fundraiser

Registration for FLAMES Volleyball is now open. This year's program cost is \$240.00 per player. The increased cost coincides with the increased expenses we will incur for the facility, referees, insurance, equipment, and tournament fees.

A down payment of \$120.00 is due by the end of late registration. Regular registration closes **JUNE 12th**, with a late registration closing on **JUNE 19th**. You may pay a total of \$240.00 and be exempt from fundraising (or choose to fundraise for the program), or make 3 payments of \$40 each by **JUNE 19th** for a total of \$120.00, and then attempt to fundraise the other \$120.00. All payments are made via Team Sideline.

The FLAMES have added a fundraising arm for all Volleyball Players and Families who wish to participate in order to defer some of the costs. Volleyball has been given the Sponsor-a-Date Calendar fundraiser.

1. Print and/or Share the attached Calendar(s) (one is less ink-heavy 😊).
2. Write the player's and parent's names and phone number at the top of the printable version.
3. Ask for donations that directly correspond with the date. For example, the 1st is valued at \$1.00, the 23rd is \$23.00. Bonus days can be any amount.
4. Contributors may then pick their day, week or even the entire month.
5. Please capture the Name, Email, and Phone Number of the donor on the calendar so that we might send them a thank you.
6. A full 31 day month would raise \$496.00 (or MORE with Bonus Days!)
7. Turn in all collected funds to your Coach or the on site FLAMES Fundraising Agent on **July 31st**.
8. **TURN IN CASH OR CHECKS ONLY (although you may collect funds via your personal Venmo or PayPal, and then write a check or give cash for that amount).**

You will receive credit **dollar for dollar** up to \$120.00 towards your second half payment.
